

Screen Free Friday!

Fri 22nd May

After you have completed your spellings, spelling sheets, phonics, tables, mental maths, have some fun away from screens today! Here are some ideas for this week!

1. Use a bendy twig, some string and some nature treasures like interesting leaves, flowers, feathers, bark etc. to make a dream catcher. You can paint leaves to make it colourful.

2. Do a household chore, without being asked!! Earn some brownie points and complete an act of kindness for the people you live with. It will make you feel good too!

3. Turn fallen leaves into beautiful works of art! Paint in rainbow colours, your favourite colour or even in a pattern and press onto paper!

4. Play a board game a card game or teach yourself a card trick! Challenge your family or play a game you have never learned to play before.
5. Practice your PE skills; throwing and catching, jumping for height, jumping for distance, hopping, running, skipping, using a skipping rope. You could make up a training circuit for your family to try!
